

PROHIBITION ON INSIDER TRADING POLICY

1. PREFACE:

This Code of Conduct has been made pursuant to Regulation 8 and 9 of the SEBI (Prohibition of Insider Trading) Regulations, 2015 (**herein referred as “Regulations”**) as amended and may be modified by the Board of Directors of the Company from time to time.

The Board of Directors of the Company has adopted this “Prohibition of Insider Trading Policy” (the “Policy”) to comply with the Regulations as amended from time to time.

This policy shall be applicable to all Insiders (as defined herein) of the Company including designated persons and immediate relatives of designated persons as defined in this policy. The SEBI Regulations prohibit an Insider from Trading in the securities of a company listed on any stock exchange when in possession of any unpublished price sensitive information.

The Company endeavours to preserve the confidentiality of Un-published Sensitive information (UPSI) and to prevent misuse of such information. The Company is committed to transparency and fairness in dealing with all the stakeholders and in ensuring adherence to all laws and regulations.

"Unpublished price sensitive information" means any information, relating to a company or its securities, directly or indirectly, that is not generally available which upon becoming generally available, is likely to materially affect the price of the securities and shall, ordinarily including but not restricted to, information relating to the following: -

- i. financial results;
- ii. dividends;
- iii. change in capital structure;
- iv. mergers, de-mergers, acquisitions, delistings, disposals and expansion of business and such other transactions
- v. changes in key managerial personnel.

It is intended that information relating to a company or securities, that is not generally available would-be unpublished price sensitive information if it is likely to materially affect the price upon coming into the public domain. The types of matters that would ordinarily give rise to unpublished price sensitive information have been listed above to give illustrative guidance of unpublished price sensitive information.

“Generally available information” is defined, it is intended that anyone in possession of or having access to unpublished price sensitive information should be considered an “insider” regardless of how one came in possession of or had access to such information. Various circumstances are provided for such a person to demonstrate that he has not indulged in insider trading. Therefore, this definition is intended to bring within its reach any person who is in receipt of or has access to unpublished price sensitive information. The onus of showing that a certain person was in possession of or had access to unpublished price sensitive information at the time of trading would, therefore, be on the person levelling the charge after which the person who has traded when in possession of or having access to unpublished price sensitive information may demonstrate that he was not in such

possession or that he has not traded or he could not access or that his trading when in possession of such information was squarely covered by the exonerating circumstances.

The SEBI Regulations prohibit the communication of UPSI to any person except in compliance with applicable law. Further, procuring any person to Trade in the securities of any company when in possession UPSI is also prohibited under the SEBI Regulations and the securities laws. Violations of the SEBI Regulations and the securities laws subject Insiders to severe penalties including disgorgement proceedings, fines and imprisonment as per the applicable law.
